

Power Delivery Trade Show
Heritage Country Club, Charlton, MA
September 28th, 2010

Gentlemen and Ladies:

We are pleased to announce we will be having our annual trade show at the Heritage Country Club. As in the past, we are inviting the IOU's, Municipals and Co-Op's of New England to this event. Most of the manufacturers we represent will be there demonstrating existing and new technologies. Below are the tentative manufacturers in this year's event. Also, a registration form is included.

Hope to see you there where you can learn more about the products we represent and interact with your peers of the utilities of New England.
